風水 FENG SHUI FOR MODERN LIVING

geisha glam

The last thing on my warm-weather mind right now is wondering about a white Christmas. But come on! Try these Santa specials – now! New York designer Judith Wendell’s elegant feng shui accessories and gifts are flying off Manhattan shelves. From handmade journals (gorgeous), to exquisite aroma wall diffusers (great) and scrumptious silken pillows, they come in all sizes and are designed for specific *pa kua* needs (grand). Wendell’s all-natural wonders prove this GEO senior student knows her stuff. For information about prices and catalogue, email: judith@sacredcurrents.com or phone +1-212-410 1832. Functional without funkiness. Beautiful breakthroughs. Harness the ‘holy’ this holiday.
